

Date
December 13, 2016

Patent Number
9,518,733

Amen Dhyllon

INVENTOR

FURNACE APPARATUS

The Director of the United States Patent and Trademark Office has received an application for a patent for a new and useful invention. The requirements of law have been complied with, and it has been determined that a patent on the invention shall be granted under the law.

Therefore, this

United States Patent

Grants to the person(s) having title to this patent the right to exclude others from making, using, offering for sale, or selling the invention throughout the United States of America or importing the invention into the United States of America for the term of this patent, subject to the payment of maintenance fees as provided by law.

Michelle R. Zu

Director of the United States Patent and Trademark Office
